

8th September 2011
VAL BOARD UPDATE

The board wishes to announce that Todd Ireland and Matthew Webster have joined the board as casual vacancies for the coming season, along with this the board has voted Sue Dunbar into position as Vice President.

The board also wishes to advise that Rick Trussler and Terry O'Donnell have resigned from the board.

The board recognises that the clubs have called for a SGM, date, time and venue will be released shortly, as Olympic Park is no longer a viable option.

The board is continuing to address issues relating to appointments for the coming season. It should be noted communication is continuing with both past officials and new prospects who have expressed interest in positions.

An update will be posted to the VAL website once these matters are finalised.

Mathew Boyes
President
Victorian Athletic League Inc.
