BURRAMINE HISTORY

As we plan the 60th Burramine Gift to be run on Saturday, March 19th 2011, it has been decided to assemble and produce a history of the Burramine Sports Club.

Many present-day and past runners must have great memories of their experiences at Burramine and consider them to be worth putting in the 'Interesting Anecdotes' part of the history.

Please send those memories to me and we will be delighted to include them in the book. We have set a deadline of June 30 for the draft to be ready for the printer, who is one of our valued sponsors.

We look forward to your input and to being able to have the history ready for sale.

Thanks in anticipation of your help.

Frances Connell.
