1-2-2012

For the last few years, it has been good to see that many clubs have followed Burramine's lead in staging children's events as part of the Gift meeting program.

In March 1963, Burramine ran a 100m event for schoolchildren aged "between eight and Under 15 years, on the day of the carnival". It was considered to be a necessary part of the program to encourage families to attend and youngsters to look to athletics as a worthwhile sport. Winners won a sash; and the prize money was given to the school nominating the winner, so amateur status wasn't violated.

This format has continued, every year, with the addition of 200 and 400 metre events, and a Schools' Relay Race. An Under 21 100 metre for unregistered runners has been introduced to satisfy the request, "Can I have a run in another race?".

Some Burramine winners have gone on to even greater success – a local youth, Frank O'Dwyer, became the Under 12 State School Champion, at Olympic Park, Lisa (Ballerini) Oliver and Cam Dunbar have had success in VAL ranks, while the 1986 Burramine 100 metre boy champion, Glenn Crawford, won the 1995 Stawell Gift.

It's interesting to note that Little Athletics was introduced as a Victorian sport in October 1964 - eighteen months after Burramine's inaugural children's event.

2012 sees the Burramine events continue to open the day's program. We invite youngsters, who have turned 8 and are under 15 years of age on March 17th 2012, to enter, free, using the entry forms, below.

See you at Burramine.
